

# Lorraines OMG Rugulach Gourmet Dessert Cookies

You will say “OMG” when you taste them, as they taste that decadent - “Oh My Goodness” is the first thing we all said when we tried them, so they became the OMG Lorraines (named for Mark’s mother!)

**Traditional Lorraine** is defined by cinnamon, walnuts and a bit of brilliance - it is the dessert cookie for most – each approx 3 oz and cooked to order.

**White Satin Cranberry Lorraine** is pure luxury - characterized by cranberries, Guittard White Satin, and a dash of decadence.

**Mocha Espresso Lorraine** is dark and delectable - unique for its Guittard French Vanilla Chocolate, jolt of java and a pinch of perfection.

**Lorraines OMG rugulach** dessert cookie assortment containing 2 each of our 3 flavors - Traditional, White Satin Cranberry, and Mocha Espresso, each approx 3 oz - a combination of decadence, brilliance, and perfection, our assortment box is a trifecta of pure taste.

# Lorraines OMG Rugulach Gourmet Dessert Cookies (continued)

## What is a Lorraine?

The OMG Lorraine is a rich rugulach that has been refined to boast the perfect taste, moistness, and texture. Bakeries, flavor manufacturers, and food scientists all agree it is now ready to be introduced to the world. Now available anywhere in the US, OMG Lorraines are baked fresh and shipped immediately. Place your order today to experience our philosophy of Pure Taste.

## A story over 30 years in the baking

Mark has been baking in honor of his mother, Lois Lorraine Kinney, since the age of 14. He learned and sharpened his skills at home but later applied them to a locally renowned bakery in Tucson he called Strictly from Scratch. Strictly from Scratch earned its reputation by providing area restaurants and resorts with some of the finest desserts on the market. Mark ultimately sold the bakery in the late 80s, but has recently returned to his passion; the passion he calls Pure Taste.

## Our Mission Statement (short and sweet!)

Our mission at OMG is to honor the idea of Pure Taste and original flavors. A food philosophy coined by Mark Kinney himself, Pure Taste is the driving force behind every dessert created. The short and sweet of it is that OMG is easy to love and impossible to leave.
