

Flavored Extra Virgin Olive Oils

Several flavors of EV olive oils available from Castello Monte Vibiano made with their extra virgin olive oil – all first press and cold pressed from approximately 12,000 Frantoio, Moriaolo and Leccino olive trees on the hills surrounding the castle of Monte Vibiano Vecchio In Umbria, Italy

The largest bottle we make and sell is 100 ml/3.4 fl oz; this is due to our unique bottling process that removes oxygen during filling; once bottle is opened oxygen gets back in – and since our oil is such high quality, we are encouraging it to be consumed quicker by limiting the bottle size; otherwise our excellent oil starts to have the quality slide from its peak the longer the bottle is open – and we want you to experience our oils at their best. All currently offered flavors in USA (available in several sizes noted below by flavor):
